Introduction

This booklet explains how you can apply for a nursery place at Green Wrythe Primary School.

When can my child start Nursery?

There are three intakes for Nursery each year, September, January and April.

The **earliest** that a child will normally be considered to start nursery is the term after their third birthday.

The January and April intake is subject to the availability of places.

To be considered for a nursery place next year, please apply directly to the school by completing the application form and returning to the school with a copy of their birth certificate and proof of address.

Details of this are below:

If your child was born between 1st April 2021 & 31st August 2021, they will start nursery in the **Autumn Term**. This will mean they will have three terms in nursery.

If your child was born between 1 September 2021 & 31 December 2021, they may be able to start nursery at the start of the **January term** if there are places available at that point. This will mean they would have an extra two terms at nursery.

If your child was born between 1 January 2022 and 31 March 2022, they may be able to start nursery at the start of the **April term** if there are places available at that point. This will mean they will have an extra one term at nursery.

Applicants for the January and April intake will not be considered in the initial allocation but will only be considered if we have vacancies after the term has started in September.

Outcome letters for the September intake will be sent out in June

Outcome letters for the January intake will be sent out in November

Outcome letters for the April intake will be sent out in February

Can my child start nursery earlier?

No, a child must be no younger than three years of age when they start nursery school. Alternative provision for younger children may be available in private nursery provision. For more information on private nursery provision please contact the Family Information Service.

The Family Information Service

Tel: 020 8770 6000

www.suttonfamilyinfo.org.uk

email: familyinfo@sutton.gov.uk

The Sutton online Family Information Directory to search for childcare, activities and other support services can be visited at www.sutton.gov.uk/fid

Can my child start nursery later?

If your child's birthday falls between 1st September 2021 and 31 March 2022 it may be possible to start nursery later in the academic year, subject to the availability of places. However, you should note that our nursery will probably fill up in September with children who have already turned three, so it is possible that there will be no places available in the nursery. If you are offered a place and do not wish to take it up immediately, you may ask to be placed on a waiting list for a later term.

Are places full time or part time?

All nursery places are part time, five mornings a week. The morning session is 8.40 to 11.40 a.m.

How do I decide which nursery I prefer?

We recommend that you visit the school to view the Nursery. Please see our website for open days or contact the school office on 0208 648 4989.

What if there are more applicants than places available?

When the school is oversubscribed, places will be allocated according to the following oversubscription criteria:

- 1 Children who have reached the age of 3 years before 1 September 2024
- 2 Children who have reached the age of 3 years before 1 January 2025
- 3 Children who have reached the age of 3 years before 1 April 2025

If any of criteria 1, 2 or 3 are oversubscribed, places will be offered to:

- a) Looked After Children and previously Looked After Children (see page 7 for more details).
- b) Children who have a professionally supported medical or exceptional social reason for attending a particular nursery (see page 7 for more details).
- c) Children with an older brother or sister attending the main school at the time that the younger child starts nursery (see page 8 for more details).
- d) On the basis of proximity to the school, measured in a straight line from the child's home address to the main entrance of the school building, with those living closer to the school receiving the higher priority.

Applicants that apply under criteria 2 or 3 will not be considered at the initial allocation and will not be sent an outcome letter in June.

The way places are offered means that all children who are eligible for entry in September 2024 will be given priority over children not eligible to start until January or April 2025. This is to ensure as many children as possible can attend a nursery for at least a full year before they are due to start Reception class.

Please remember there is no automatic entry to Reception class and a separate application must be made.

Do I get priority for a reception place if my child attends the nursery?

Children attending our nursery have no priority for admission to reception. This is to ensure that parents who have decided not to send their child to nursery will not be disadvantaged when applying for a reception place. As such, it is not necessary for your child to attend our nursery class in order to gain a place in reception at the school. A child may attend a nursery class in one Community school but apply for a reception place at a different school. **You will need to make a separate application for a place in reception at the appropriate time, regardless of which nursery school (if any) your child attends.**

How do I apply for a nursery place?

The application form to apply for Green Wrythe's Nursery can be obtained from the office or can be downloaded from the website.

Before completing the form, it is very important that you read through this booklet and that you understand how your application will be considered.

Completing the Application Form

If you wish to apply for a nursery place at Green Wrythe you must complete the application form and return it by the date indicated on the form, together with a copy of your child's birth certificate and council tax or council tenancy agreement as proof of address.

It is important that the application form is fully and accurately completed and submitted with the appropriate evidence (see below). If there are mistakes or inaccuracies on the form it may delay your application.

Child's address

The address on the front of the form should be the child's permanent place of residence. It should not be a business, relative or carer's/childminder's address, nor is it permitted for a family to use a temporarily rented address to secure a nursery place for their child. The address will normally be the parent's address. If the parents do not live together, it should be the parent with whom the child spends the majority of the time. This will normally be the parent who receives Child Benefit in respect of the child. An application can only be made from a single address. **You are required to provide your current council tax bill. If you are a council tenant, you should provide a copy of your council tenancy agreement.**

If there is a formal equal share custody arrangement between the two parents, the address that will be used will be the address of the parent who is claiming Child Benefit for the child.

If you move address after completing the application form, you must write to inform us as soon as possible and provide evidence of your new address (please see page 9). The address to be used in the allocation process may vary depending on the date you moved.

Any offer of a place based on where the child lives is conditional on the child being resident at the address at the closing date for application, unless a subsequent move has been accepted for allocation purposes.

The school will investigate any applications:

- Where there are any doubts about the information provided
- Where information has been received to suggest a fraudulent application has been made
- Where records show a change of address within the previous 12 months

The school reserves the right to seek evidence from parents, Council records, primary schools or any other sources deemed appropriate. The school may also make a home visit and refer cases to the London Borough of Sutton's Investigation Officers where it is deemed appropriate.

Any application which uses false information will be withdrawn and may be subject to legal proceedings. If an application is found to be fraudulent after places are offered, the place will normally be withdrawn.

Parent/Carer's Details

The person applying on behalf of the child should be the person with Parental Responsibility for the child. However, there may be occasions where this is not the case, and this should be indicated on the form.

Parental Responsibility is defined by the Children Act 1989 and amended by the Adoption and Children Act 2002. Parental Responsibility is automatically acquired at birth by the natural mother and natural father, if he was married to the mother at the time of birth or they were married subsequently. For children born since 1 January 2003, the child's natural father will have Parental Responsibility if he jointly registered as the child's natural father following the child's birth. Other people can obtain Parental Responsibility by seeking a Parental Responsibility legal agreement, obtained with the consent of all persons with Parental Responsibility or by a court order, or when a child is placed with them for legal adoption. Step-parents, grandparents and other close relatives do not have automatic Parental Responsibility, and can only acquire it through a legal agreement or court order. If you are a distant relative or not related at all to the child it is likely that you are a Private Foster Parent. In law this means you must tell your local Council you are caring for the child and also you must tell the child's parents (or the person with Parental Responsibility) about the application for a school place and obtain their permission. You can find more information of Parental Responsibility at <https://www.direct.gov.uk/parental-rights-responsibilities>.

If you are unsure about your status, you should submit your application with a covering letter to explain your situation.

Looked After Children

Children who are Looked After by a Local Authority, or were previously Looked After immediately before being adopted or subject to a residence order or special guardianship order, receive top priority for a school place. As such, if the child you are applying for is Looked After, it is important that you include this on the application form and provide supporting evidence from a social worker.

Please note that children adopted from overseas are not classified as children in public care.

Social/Medical reasons

You are able to give a reason for applying to our nursery. Whilst we will have regard to the information you provide, this alone would not normally give priority for a place. If you wish to apply under exceptional medical and social criteria, you must provide additional information and professional evidence to support your case which should be attached to your application form. Supporting evidence should be provided from a professional, such as a social worker, health visitor, housing officer, the police, doctor and/or hospital consultant. Refugee and Asylum Seeking children may be included under this criterion depending on individual circumstance and subject to support from a relevant professional or council officer as listed above.

Providing professional evidence does not guarantee your child priority at the school. The decision will be made by our admissions panel, who will consider whether the circumstances warrant a child being placed at our nursery and whether they should give the child priority over other applicants who may, for example, have siblings at the school or who may live closer.

If there are supported medical and social needs for mobility reasons, consideration for a priority place will normally only be given for our nursery if it is the nearest, unless you can demonstrate why our nursery, which may be further away than another, will be more appropriate for your child's needs.

Evidence to support a medical condition can come from the family GP or child's hospital consultant. This should confirm your child's condition and outline how it is managed. It should also confirm how it would affect your child in school and its relevance to a nursery placement. Common ailments such as asthma would not normally be given a priority placement. Any other medical conditions in the family may be considered but as a separate issue under social reasons. Parents are responsible for providing the evidence to support an application for medical or social placement. Any application that does not have supporting evidence will not be given priority and the school is not responsible for ensuring parents provide it.

Please note that it is not possible for routine child-minding arrangements to be taken into account as an exceptional social reason.

Siblings

A sibling is defined as brother or sister, half brother or sister, adopted brother or sister, step brother or sister, or the child of the parent/carer's partner, and in every case, who is living as part of the same family unit at the same address, Monday to Friday. If your child will have a sibling in our main school it is important that you include the sibling's details on the form to ensure that, if applicable, sibling priority is given. **You should not name any child who is not a sibling, nor any child who will not be in attendance when the younger child is due to start.**

Returning your application form

Forms can be posted or hand delivered to the School Office, Green Wrythe Primary, Green Wrythe Lane, Carshalton, Surrey, SM5 1JP

Please note that if you wish to hand your form in to someone in person, you must bring your form to the school office between 9.00 a.m. and 3.30 p.m.

Supporting Evidence

You must include:

- Evidence of address - current council tax bill or if you are a council tenant a copy of your tenancy agreement.
- Evidence for social/medical reasons to be considered
- Copy of your child's birth certificate

Acknowledgement of applications

Applications will not be acknowledged unless accompanied by a stamped addressed envelope.

Can I defer my child's place at nursery?

No. If you are offered a place in our nursery but you do not wish your child to start until a later term, the place will be withdrawn and your child's name will be placed on the waiting list for the later term.

However, you should note that Green Wrythe Primary's nursery is usually full in the Autumn term, and as such, there is no guarantee that a place will become available later in the year.

What if I miss the closing date for applications?

If you miss the closing date your application will be treated as a late application. If vacancies remain at Green Wrythe's nursery after all on-time applications have been considered you may be allocated a place. However, if we are oversubscribed your child's name will be added to the waiting list (see pages 4 & 5)

If you move at any time after submitting an application to us, you must advise us immediately and provide proof of your new address, so that we can update our records and ensure that correspondence is sent to the correct address. Proof of your new address should include either a copy of your tenancy agreement or a copy of a solicitor's letter confirming the sale/purchase (this must be after completion has taken place). Exchange of contracts or a future completion date will not be accepted.

Change of address

The address to be used in the allocation of nursery places may vary depending on the date you moved, and as such, failure to tell us about a new address may result in an incorrect allocation of nursery places. If you fail to tell us about a house move, we may withdraw your application or any offer of a nursery place that has been made.

Can I apply for a nursery place in another Sutton school or a school outside Sutton

Yes, please contact schools direct for the admission arrangements.

I do not live in Sutton, can I apply for a nursery place at Green Wrythe Primary

Yes. If you live outside of the borough you can still apply for a nursery place. However, if we are oversubscribed places will be allocated based on the arrangements set out on pages 4 & 5.

What if my child has Special Educational Needs?

If your child is not yet going to an early education setting, you can talk to your doctor or health visitor who will be able to give you advice about the next steps to take.

How will waiting lists be managed?

Your child will automatically be added to our waiting list in the following circumstances:

- If you are not offered a place at the initial allocation
- If you submit a late application, and we are oversubscribed with applications who applied on time
- If you are applying for a nursery place for a child who is already 3 years of age and we are already full

The waiting list will be ranked according to the school's admission criteria as set out on pages 4 & 5. No priority can be given to children according to the date their application was received or their name was added to the list.

As some families decline their offer of a nursery place, vacancies are created. These will be filled from the waiting lists.

You should note that your child's position on a waiting list may go down as well as up. This is because other children might be added to the nursery's waiting list that have greater priority for a place against the admission criteria. This can happen when new families move into the area or when other families ask to go on the waiting list for a nursery after the initial allocation date.

If your child is not successful for a place in 2024/2025 but will remain eligible for a nursery place in 2025/2026, you do not need to apply again as your application will be carried forward. Please notify the school if you no longer require a place.

Information about nursery funding for three and four year olds

The Government has provided funding for all four year old children and most three year old children to attend a nursery. The nursery can be in the private sector (that is, a private day nursery, pre-school or playgroup), or in the maintained sector (that is, a local authority school). If the nursery is in the private sector, it must be inspected by OFSTED and registered with Sutton Extended Services and Early Years.

The funding is available for up to 15 hours a week, for 38 weeks. The payment goes directly to the nursery provider and will cover the cost of a place in most private nurseries and all local authority nurseries.

To help you

Try to visit the nursery before completing your application form.

1. You should bear in mind that the nearer you live to the nursery the more likely it is that your application will be successful. However, there is no guarantee of being offered a place.
2. Medical reasons only apply to the child and must be supported by evidence which shows why a particular nursery is the only one your child can attend. Confirmation of a condition will not necessarily be sufficient to give medical priority. Please see page 7 & 8 for more information.
3. Social reasons do not include routine childminding arrangements but may include medical conditions relating to another member of the family. Please see page 7 & 8 for more information.
4. In all cases it is your responsibility to provide the evidence to support a request for a priority placement. The school will not seek evidence on your behalf.
5. If you are not offered a place in our nursery you can apply for an alternative nursery. You can accept an alternative offer and leave your child's name on our waiting list.
6. Before returning your application please check that you have included the following information:
 - Child's name
 - Child's date of birth
 - Your postcode
 - Evidence of your child's date of birth (preferably birth certificate)
 - Any relevant medical or social evidence to support your application
 - Current council tax bill or council tenancy agreement
 - Details of siblings in the main school
 - Please sign and date the form
7. If your circumstances change after you have submitted your form, you must notify us by email at: **office@greenwps.org**
8. Nursery education is not statutory, your child does not have to attend a school nursery.
