

23rd May 2023

Dear Parents/Guardians

I would like to invite you to become part of our school's Parent Association. We are looking for enthusiastic parents, who want to help us recreate the Association to foster a better community and raise funds for our school.

At our school, parental involvement is crucial to maintaining a strong community that helps support our pupils' education. With the help of the Parent Association, we can continue to develop an environment of collaboration between parents, teachers and pupils.

The Parent Association will act as a platform to encourage parent involvement in school activities - from fundraising events to extracurricular activities that will provide additional opportunities for children to learn and grow.

The Association will also create a platform for parents to engage in open conversations, share ideas and provide valuable feedback to the school. Moreover, it will serve as a medium that enhances communication between parents and teachers to enlighten them on how they can best support their children.

Raising funds for our school is a critical aspect of the Parent Association's work. These funds will be used to purchase materials, organise trips, fund extracurricular activities and provide necessary resources to support the academic programs of our school. With a little help and teamwork, we can achieve our goals and dreams.

Please note that there are many different ways you can get involved in the Parent Association, whether by volunteering your time or supporting the Association financially. We welcome all parents and guardians and appreciate every effort they make towards the success of the Association and ultimately the success of the pupils.

We hope you will consider joining our community and being a part of the Parent Association. To get started, please email the school office so that we can compile a list of volunteers. Mrs. Jones will then organise a meeting so that we can start our Green Wrythe PA.

Thank you for your consideration and support.

Yours sincerely,

A handwritten signature in black ink that reads 'Mrs. Jones'.

Mrs. Jones
Head Teacher
